

LET'S WORK

TOGETHER

HOW WE WORK

"Just in time" rather than "just in case"

Materials must support UNT's curriculum, research, and programs

Evidence-based decision making in regards to usage, subjective feedback, and price

Product trials are limited to 2–5 each in the fall and spring semester

For more information, visit:
library.unt.edu/collection-development

ANNUAL CYCLE

UNT's fiscal year is September 1–August 31

Our major purchase ideas are considered between January and May

The best times for vendor meetings are between December and March

We typically attend the following conferences: Charleston, ER&L, NASIG, TLA, ALA

Ask us about our yearly targeted subject area purchasing plans!
